

## Academic position of the AP degree programmes

- Primary school /comprehensive school 9-10 years
- High school/ Gymnasium/ Business College 2 - 3 years
- **AP degrees** **2 years**
- Bachelor degrees + 1-1½ years
- Master degrees + 2 years
- PhD degrees +2-3 years

The AP degree obtained is accredited by the Danish Ministry of Education.

To be admitted to study the AP degrees, applicants must have the equivalent to 12 years school. For some nationalities, we even require at least one year at university level as well, to be admitted. AP graduates with good grades may continue on professions bachelor studies at University colleges or for some at classic universities. The above reflects the Danish educational system and may vary in other countries.
